Drug Testing and Gender Eligibility

I acknowledge that Drug Testing will be conducted under the WMA/World Athletics Anti-Doping Rules and Regulations and hereby give my consent to be subject to any drug testing requirements at the WMA Championships. I further acknowledge that it is my responsibility to meet current World Athletics rules and regulations governing gender eligibility and hereby declare that I meet all such requirements. NOTE: If selected for drug testing, Competitors must declare any/all medications being used by them on the doping control form. Any athlete using a prohibited substance as defined in the Regulations, must apply for an exemption (TUE) to the WMA Anti-Doping and Medical Committee. Athletes taking or requiring exemption for a prohibited substance must apply to the WMA Medical Officer (Carole Filer) for a TUE exemption (71 Hunter House Road, Sheffield, S11 8TU, Great Britain; Tel: 0044 (0) 754882 6151; e-mail: wmatuesec@gmail.com). If an exemption is refused, the prohibited substance(s) concerned must not be used, and should you be selected for testing and the test proves positive, this may result in a suspension. Please note that no other medical certificate(s) will be accepted in substitution for a TUE certificate. If you are granted a TUE exemption certificate, this must be with you at all times along with proof of identification, and must be produced at the Doping Control Centre if you are selected for a drug test. Details of prohibited substances and all Anti-Doping procedures are available on the World Athletics website (www.worldathletics.org), the WMA website (www.world-masters-athletics.org) and from your World Athletics Affiliated Federation. The Competitor's Handbook will also contain details of the Anti-Doping Procedures to be undertaken during the championships.
